All agencies maintaining the above-listed records may also communicate verbally with the requesting Examiner.

- **The Court specifically finds** good cause exists for authorizing the disclosure of the identified records, including chemical dependency records, because other ways of obtaining the information are not available or would not be effective, and the public interest and need for disclosure outweighs the potential injury to the patient, the physician/patient relationship and any chemical dependency treatment facility or organization holding records pertaining to Defendant.
5. During the preparation of the report, the Examiner and any employee of Community Corrections and Rehabilitation may discuss the case and share relevant information in a manner consistent with Minnesota Rules of Criminal Procedure, Minnesota Statutes, and case law.
 6. If a sex offender evaluation has been ordered and the defendant is a Repeat Sex Offender as defined in Minnesota Statute § 609.3457, Psychological Services is ordered to comply with both the requirements of §609.3457 and the agreement with Minnesota State Operated Forensic Services. A copy of any Repeat Sex Offender Report produced by Psychological Services shall be forwarded to the Court and the Commissioner of Corrections.
 7. In the case of Rule 20 evaluations, the Examiner shall offer in the report an opinion and support for the opinion on whether the defendant:
 - a. Is suitable to refer for consideration of civil commitment and the basis of the possible commitment,
 - b. May be mentally ill and dangerous, and
 - c. Needs immediate hospitalization.
 8. In the case of Rule 20 evaluations, the Examiner shall promptly notify the prosecutor, defense attorney and the Court if the Examiner concludes that the defendant:
 - a. Presents an imminent risk of serious danger to another,
 - b. May be imminently suicidal, or
 - c. Needs emergency intervention.
